MOTIONS AND RECOMMENDATIONS — Continued

ONTARIO 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

To eliminate the Youth Challenge Regionals and every team will advance directly to the Provincial Round. To offset our costs each Zone will be responsible for the lineage at the Provincials. Teams will be divided into two divisions and bowl a single round robin. The top two teams in each division will advance to the Championship Finals. Provincial Champions as well as our National Team will be decided at these championships. During Winter Games years the top four (4) teams in each division (Men's, Ladies and Mixed) will advance to the Winter Games and will bowl for the Winter Games Championships.

Metro Toronto AGM Meeting

There will be a Metro Toronto AGM meeting held on May 19th at the Sport Alliance building. The meeting will start at 7:00 p.m. Anyone interested in being a part of the Metro Toronto Board of Directors is asked to attend this meeting. Please pass this information on to anyone you know who may be interested.

2012 Winter Games

My Family and I would like to thank Al Hong, and Dave Post for truly making our first experience at the Ontario Winter Games in Sudbury and the National Championship in Edmonton a very memorable and enjoyable experience! Our son Daniel has bowled in many 4 Steps competitions including a trip to Nationals in Newfoundland, but nothing can measure up to the organization and assistance provided by the O5PBA office staff. Their generosity of time and support to the athletes will not be forgotten! Although we may have wished for a better outcome for the Ontario team, they truly have made some lifelong bowling friends nationwide through this maybe once in a lifetime opportunity! Thanks again for everything you do!

The results are in, and once again 5 Pin Bowling has been accepted to be a Core Sport for the 2012 Winter Games. Good news indeed for our great sport!
