Convention Motions

A friendly reminder to all Zones and DC's that Motions for our annual meeting at Cleveland's House in June need to be in

Bowling School

For the past 20 years, the O5PBA in co-operation with Bowl Ontario (YBC), has conducted an annual summer bowling school.

This is a great program for our Youth to develop the skills of our game that are necessary for them to compete competitively in events such as the Youth Challenge, and for the graduating YBC Seniors – the ultimate and best tournament of them all -- the Ontario Open.

The number of YBC bowlers attending this school has dwindled over the years, and we are seeking everyone's help to promote the school and encourage bowlers to participate in this program. We want to continue to run this school on an annual basis, but declining numbers of participants may force us to run it every 2 years.

- The school is open to YBC bowlers between 13 yrs. of age and not 19 yrs. of age as of Dec.31, 2011.
- The school runs from July 19 – 22nd, 2012.

The fee for the bowling school is \$550, but if a student requires a Wednesday night arrival, it will be \$600. An approval is required for all Wednesday night registrations so please contact the O5 office to discuss this before completing your application.

To retain a spot, a \$50.00 deposit is required and should be sent into the O5 Office as soon as possible. Please check the O5 website for further updates www.o5pba.ca/bowling school.

Thought for the Day

When driving your life forward, it is important to focus on the view through the windshield. The view in the rearview mirror will not help you get to your destination.
