This past weekend your Board of Directors completed the last of four regional meetings. In total 72 people participated and we thank those individuals not only for their participation but more importantly for their valued input.

Our final meeting was held on March 14th in Kingston and the following people attended:

Cheryl and Doug Plummer (Bay of Quinte)
Gary Sharp and Heather Flindall (Brighton)
Winnie Spires (Ottawa Valley)

A special "Thank You" goes out to Al Hong, John Cresswell and Terry Macdonald for their help at all four workshops.

Please find attached your recommendations from these workshops. This June at our AGM (Thursday) we will be discussing these recommendations and any delegate can choose to make them into a motion that will be voted on.

Thank You,

Dave Post
